SUMMARY

Process automation and applied AI work backed by internal systems used in production, maintenance and IT support. Experience with Python, SQL/SQLite, REST APIs, data validation and testing. Personal projects include agent tools (MCP) and n8n workflows.

EXPERIENCE

Vesper Equipamentos EX · Junior Process Automation Technician | 2026–present

- Delivered **Production Operations** with Python/PySide6 and SQLite: work orders, validated imports, duplicate checks, reports and a shared TV dashboard.
- Built **Field Maintenance** flows for assets, QR codes, checklists and service history, incorporating feedback from users.
- Developed material search services with FastAPI/SQLite, filters and change history; reviewed business rules, error handling and output data.

VemSer · IT Assistant | 2025
User support, computer assistance and guidance on digital tools.

Compass UOL · Practical Data Engineering Internship/Training | Oct/2024–Mar/2025
Built a training pipeline using CSV/API, S3/Lambda, Glue/PySpark and Athena, with an Amazon QuickSight dashboard.

Freelance IT Instructor | since 2024
Practical computer and digital productivity lessons.

SELECTED PROJECTS

ArsenalMind / VideoMind — MCP tools for agents; VideoMind works with another agent on video cuts, subtitles and exports, with human review.

ZERO21FOTOS — Client website with event search, gallery links and private tools to update content and import events.

Belarc Inventory — Co-developed Windows inventory and support tracking tools.

SKILLS

Automation and integration: Python, SQL/SQLite, REST/HTTP APIs, n8n, Excel/Power Query, FastAPI. **Applied AI:** agents, MCP, tool integration and output validation. **Engineering:** testing, Git, Docker, requirements and documentation.

EDUCATION

UNISUAM · Degree in Systems Analysis and Development — expected completion Dec 2026.

42 Rio · Intensive Piscine (2025): problem solving, C, Linux and Git.

Additional training: Microsoft Applied Skills (Foundry agents, MCP and Power Apps); SENAI Casa Firjan — AI Tools, Agents and Automation (40h).

Languages: Portuguese native; English intermediate technical reading, basic writing and speaking.
