SUMMARY

Builds digital products and technical content with AI assistance: web interfaces, operational tools, scripts and video editing. Delivered client and industrial websites, integrated external platforms and automated content tasks with quality review.

EXPERIENCE

Vesper Equipamentos EX · Junior Process Automation Technician | 2026–present

- Delivered industrial websites for Vesper and Vent Rio with technical catalogs, responsive pages, solutions navigation and contact flows.
- Produced scripts and product videos, reviewing technical specifications, visuals, subtitles and editing.
- Integrated websites and tools via APIs, testing desktop/mobile navigation and correcting issues found during review.

VemSer · IT Assistant | 2025
User support, computer assistance and guidance on digital tools.

Compass UOL · Practical Data Engineering Internship/Training | Oct/2024–Mar/2025
Built a training pipeline using CSV/API, S3/Lambda, Glue/PySpark and Athena, with an Amazon QuickSight dashboard.

Freelance IT Instructor | since 2024
Practical computer and digital productivity lessons.

SELECTED PROJECTS
